

Jessica A Tasa

November 23, 2024

It is with great sorrow that we announce the passing of Jessica Tasa (Mufdy), who left us peacefully on November 23, 2024, at her home in Fort Collins, Colorado. Jessica was born on January 14, 1973, in Toronto, Canada, to her parents Romeo Mufdy and Jennifer Oliver.

Jessica graduated from Father John Redmond High School in 1992 and went on to earn her Nursing Diploma from Humber College in 1995. Her lifelong commitment to caring for others led her to work in many nursing fields, where she touched countless lives as a dedicated and compassionate healer.

After graduation, Jessica moved to Texas, where she met her future husband, Kerry. They were married in 1998 and, in 1999, moved to Greeley, Colorado, seeking a community and lifestyle that aligned with their values. In 2003, Jessica became the proud mother of a son, Rylan, and in 2005, she welcomed a daughter, Reece. Jessica was deeply proud of her children and cherished her role as a mother.

Jessica had a gift for brightening any room she entered. Her radiant smile and vibrant personality could lift anyone's spirits, and her inner strength served as an inspiration to everyone who knew her. She was a woman who embraced life fully, with a love for travel and a passion for making lasting memories with her family.

She is predeceased by her father, Romeo Mufdy, and her grandparents. Jessica is survived by her loving husband, Kerry; her children, Rylan and Reece; and many family and friends who will forever hold her memory in their hearts.

In honor of Jessica's legacy, the family requests that donations be made to the National Breast Cancer Foundation (<https://www.nationalbreastcancer.org/get-involved/give/>) in her memory. We also encourage loved ones to prioritize their health and schedule regular breast cancer screenings.

A celebration of life will be held on January 14, 2025 with a meet and greet starting at 12:00 p.m. followed by the ceremony at 12:45 p.m. at Ginger and Baker, (<https://gingerandbaker.com/>) 359 Linden St., Ft Collins, CO 80524. Please RSVP: EVITE (<https://evite.me/b12VdPJsanz>)

The family extends their heartfelt gratitude to all those who have offered their love and support during this difficult time.

Rest in peace, Jessica. Your spirit, love, and strength will live on in all who knew you.

“ *I had the privilege of working with Jessica at CSUHN in Fort Collins CO. There are so many wonderful things to say about her but the things that touched me the most was her kindness, compassion and ability to make you feel like you have been a friend forever. I am personally sad but happy to have known Jessica for even a short while. Bless you.* ”

“ She was one of the most beautiful humans I have ever met both inside and out. She was always there for me in every stage of life. From the moment I met her when we moved to Fort Collins, I knew she was a soul sister. Our conversations on our front porches were always meaningful and heartfelt. She taught me to slow down and enjoy the moments. She was the first one to inject me and I cried like a baby because it meant "I was getting older"! We laughed and cried. She got me back on my bike and even loaned me her bike for my first ever Tri. Now, every time I clip in, I will think of Jess and her resilience and love for the ride and life. Love you Jess. “ I met Jessica and Kerry in Texas as another fellow Canadia nurse. I loved Jessica and she and Kerry were perfect together. We had so much fun working and I was sad when they moved away, but understood. This is such sad news and my heart goes out to Kerry and thier babies. Jessica, it breaks my heart to know your gone even though we lost touch. 😞❤️

“ There are way to many to share. She was loved by so many and so many loved her! She loved my kids and family well! She loved her family with all her heart. In my phone she is listed as Lovely Lady, it's something we called each other for years. Your smile still makes me smile! We will always love you!
