“ I had the privilege of working with Jessie for several months as a home care giver through Interim Health Care. I learned a lot about life from her, that family is extremely important; nothing is impossible. She adored her husband and her family. I feel honored to have had her in my life even for a short time. She lived life to the fullest....A wonderful example for all of us. She will be missed. Condolences to her family. Marilyn Gump

“ I remember the many summer days we would spend at Cheta's (Jesusita) house I can't remember the street name but it was the pink house just north of Mulberry, how much fun we had all us kids running around and the adult visiting enjoying each others company, I was just a little girl but I remember Cheta's red hair, how I enjoyed so much spending time w/ the Familia Vinton. Thank you for the memories: Cathy (Cata Nevarez) Canedo.
