“ Have known Glanz's for 59 years. Was working with my Girl Scout troupe at the roller skating rink trying to earn a badge. Pam, their daughter and my daughter Shelly were in my troupe. Joann asked if I could use some help. Of course I was delighted. In our conversations we talked about many things, but one always comes to my mind and that was discovering that we were square dancers. We had not yet gotten back to square dancing after moving from Billings, Montana to Ft. Collins. Result of this conversation -- Joann said we will pick you guys up for the next dance. I was sooo excited when I shared this with husband Arnold. Being friends then the Glanz's was one of the better things that happened to us. They introduced us to Leonard and Claire Belle Benzel -- another lifetime friendship. We joined together with them at the next Square Dusters dance. Does not get mich better then that folks. Much love to all. Darlene Sanderson
