“ *Dear Mari, Leslie and Darene: I'm so very sorry for your loss. I just learned of it and would have attended the service had I known. Joe was a good, good man and a steadfast friend to me. The world would be a much better place with more Joes. I was privileged to be able to work with him and just to know him.*

“ *Mari, Leslie and Darene,*

So sorry about Joes passing. We were in Boston at the time. On our return I have been going thru all of the papers that accumulated and saw the obituary. My love and sympathy go out to all of you. I called Bob to let him know so he will be getting in touch. We do not have a number that we can reach you. Let us know if you would like to share it. Love you, Pat
