“ *It was my pleasure and honor to meet Jo through her social work studies and internship with the MS Society via CSU. She was a breath of fresh air among the many interns who were barely out of high school, and made my job easier. Immediately it was evident what a big hearted and devoted person she was; smart and classy too. Later it was always great to bump into her and Steve at the gym. Like the little song goes, Jo was truly a person who always "brightened the corner" where she was and made the world a kinder, warmer, better place to be. So sorry for your untimely loss to the family. Will keep you in my prayers at this most difficult time.*

“ Dear Steve and family,
I've been out of town and just catching up with the papers. I was so sorry to read of Jo's passing, but she fought such a valiant fight. Her positive nature was an inspiration to me as I knew she must have often been in pain. I'm so sorry that I didn't know about her memorial service in time. I will miss seeing her at our gatherings and am sending you love and light. I hope that you will feel her presence when you need it.

“ Family of Jo, I am so sorry for your loss. I knew Jo thru work 20 years ago when she worked as a social worker in health care. I will always remember her eagerness to always give a hand and help. We had a great trip to a Rockies Game. More recently, my family would visit with her at the Estate sales she ran so smoothly! We would always see her with a smile and great outlook on life. She has given us so many blessings!

“ I am so sorry Steve and the whole family. Jo's smile and spunk were contagious whenever I went to one of her sales. She and "the gals" (working the sales) always took great care of me. Jo and I went to the "Antiques Roadshow" in Denver together and I will always cherish that memory getting to know Jo better. I am just so sorry and please know my thoughts and prayers are with you!

“ Jo was so strong in everything she did, going to the gym, dealing with the ups and downs of her illness, her love of her family, niece and granddaughters. Jo gave so much volunteer time in the community. I too will remember her smile, her sense of humor and yet her passion.

“ I have just read the obituary of Jo. She sounds like such a special person. After reading that your family suggested in lieu of flowers that donations could be made to Animal House Rescue, I just had to thank you. As president of the board of directors, I was so touched and appreciative of that gesture. On behalf of Animal House the shelter dogs this will help, we thank you so much for your thoughtfulness. Steve, we are so sorry for your loss. We will miss Jo's beautiful smile, great laugh and big heart. We have many wonderful memories of celebrations with the Inman's. Jo was the best hostess! Our children loved going to the Inman's after church on Christmas Eve. Jo made it special for the kids. God bless you.
