July 5, 1947 - July 16, 2017

John Edward Everding, 70 of Eaton, Colorado, formerly of Aurora, Colorado and Mishawaka, Indiana died July 16, 2017 in Fort Collins. He was born in Green Bay, Wisconsin to Art and Loretta Everding. John grew up in the Midwest with his brothers Fred and Tom. Later, he proudly served in the United States Army during the Vietnam War as a Staff Sergeant.

John married Susan Hernholm in 1968 and from that union, they were blessed with two precious children, Renee and Brian. He had a knack for motivating kids and winning sporting events. John was an avid golfer, he loved horse racing and was a die-hard Cubs fan. John had an amazing sense of humor and was the most loving and generous person; he would graciously help anyone in need. He was very intelligent and experienced; he devoted himself to his career in management in the moving and storage industry.

Later, he moved to Colorado to help care for his aging parents and be closer to his family. John is survived by his daughter, Renee (Curtis) Gould of Eaton, Colorado; son, Brian Everding of Parker, Colorado; brother, Fred (Jo) Everding of Arvada, Colorado; grandchildren, Bret Everding of Hyrum, Utah; Cash Gould, Billie Gould and Owen Gould of Eaton, Colorado.

“ *He was a huge personality. I've always thought that I could see where you, Renee, and you, Brian, get your senses of humor from.*

*I'm so so sorry for your loss. I hope it's a small comfort to know that he touched my life (and many others, I'm sure), and that I'll always smile when I think of him.*

*I am praying for you and your family.*

“ One of my funniest memories was:  
I was sick and had to go to ER after our TGI Friday baseball game. We had Keg at the game and John and my roommates didn't want to "waste" it. So they brought it to the ER. They Enjoyed themselves in the parking lot. John pretended to be my dad and my other roommates pretended to be brothers so they could all see me in my room. Of Coarse there is the Thanksgivings we all had at our home that made us all feel special. That town home had a crazy bird cage in the middle and grew flowers. I thought I would be smart and buy birds. Well I bought birds too small...they escaped and we had to chase them around the town home for days. Shoot, I remember that was where I was first learning HOW To get on the internet and send email. Since I was the women of the House they let me have the "master" suite. Macy , John's yellow and orange dog stole my heart. She was always happy. Just like John.

*Oh! call my brother back to me!  
I cannot play alone;  
The summer comes with flower and bee  
Where is my brother gone?*

*"A rose's brief, bright life of joy,  
Such unto him was given:  
Go-thou must play alone, my boy!  
Thy brother is in heaven."*

*And by the brook and in the glade  
are all our wandering's o'er?  
Oh! while my brother with me played,  
Would I had loved him more!*
