“ *John was my dance partner in the Opera Fort Collins production of "The Merry Widow" many years ago. He sang in the opera chorus in other productions also, adding his wonderful voice to the show. He was a pleasure to work with.*

I remember once he came over to drop something off at my house, and then gave me the best recipe for rhubarb ever! And he told me how I should pull it up from the base. I was amazed at all he knew about gardening. He was a good friend for many years through the operas.

My sympathies to Paula and the family. I have to work Saturday afternoon or I would attend the service. I am so sorry for your loss. With sincere condolences.

“ *John was one of the most intelligent and helpful computer engineers in USDA. I worked with John for many years at NRCS and he was a mentor and friend to so many of us. He will be greatly missed by us and by the Fort Collins community. Our prayers go out to his soul and his family. Be strong Paula, we are here to support you.*

“ Lyle (Andy) and Dolores will miss John's friendly personality that we enjoyed so much, when he was our next door neighbor for many years.

After he moved to his mountain home; we always looked forward to his visits. During these visits we almost always had a few questions about our computer, he was always willing to help.

Our thoughts of deepest sympathy are extended to Paula and John's family.
