“ First my deepest thanks and condolences to Patricia. I want all to know now,all the things I wish to thank this good man for. When his country needed him he served. He showed me cool rides on two wheels. When I see the speed o hit 100 he will be with me. And camping. All his kids and their kids know how much the wilderness means to us. I am glad he made me a Montanan and taught me dutch oven cooking. Thank you all for your words and kindness. He was a good man that the world will miss.
