“ *Reading my local paper I was saddened to see Jack's passing. It brought back fond memories of the neighborhood kids from Health and Wilmont Streets. We are all at the age when the obituaries are not good reading. My hear felt sympathy and condolences to Jack's family and may he rest in peace.*

“ Recently, I was told of the passing of Jackie, a friend through our teen years. We often played war with brother Paddy and many other neighborhood kids, explored the Physical Culture Hotel(Castle on the Hill)grounds for many hours together, and played football on the Kings Daughter's Lawn,until asked to leave by the grounds people. He loved the out of doors, hiking, exploring and building "huts" in the woods of East Hill. I, too enjoyed the out of doors and cherish our many hikes and explorations on the East Hill. Jackie, Rest In Peace.
