John Thomas Regan, beloved husband and father, died January 9, 2017. A memorial mass will be celebrated at 1:00 PM, Saturday, January 14th at St. John XXIII Catholic Church, 1220 University Ave., Ft. Collins. A reception and wake will follow.

John Regan was born August 7, 1937 in Rochester, NY to Leo and Jane Regan. John grew up in Rochester and attended Catholic schools as a youth. Through a combination of scholarships and family support, he became the first member of his extended family to attend college and graduated from Villanova University in Philadelphia, PA. John married Ellen Berardi on April 20, 1968, and remained a devoted and loving husband for 48 years. John worked as a chemical engineer for Kodak for his entire career. In 1974 John was selected as a key team member to open a new Kodak plant in Windsor, Colorado, and the family relocated to Fort Collins.

A lifelong learner, John audited engineering and science classes at Colorado State University after his retirement. He was an enthusiastic walker and enjoyed gardening and the outdoors. John served on the Board of SAINT (Senior Alternatives in Transportation) for a number of years. John and Ellen were active members of St. John XXIII University Parish for 42 years.

John is survived by his wife, Ellen; three children, Jenny (and Chad) Oster of

Ft. Collins, Michael Regan of Denver and Matthew Regan of Minnesota; two grandchildren, Chloe and Jory Oster; and numerous family and lifelong friends in Rochester. He was preceded in death by his sister, Patricia Genier.

His family requests that in lieu of flowers, donations please be made to: The Community Foundation of Northern Colorado (reference the Fr. “ *Ellen--*

I was very saddened to learn of John's death. The weekend of the paper announcement, we were sort of in isolation, having chosen not to read papers or watch any news stuff for a couple of days. Instead, as was John's approach, we used the time to read and learn about the mysteries of life.

Losing John is one of those mysteries. Yet we know from our shared lives at J23 that John is a saint. He is now closer to God and will call out to all of us to continue to love and serve God as you, as a couple for so long, have done.

The old Jesuit phrase fits: AMDG (all to the greater glory of God)--

“ Dear Ellen,
You have been a delight to know and to work and pray with. I do not ever recall meeting your husband. He sounds like he was a very nice man. Tom and I wish to offer our condolences for your loss. There will be so many feeling and things to take care of and then the quiet times that come later. I pray that the love and comfort of others in your life will help carry you through. I pray that you can feel the love of the lord for you as you walk this path of grief.
