

Jon White

January 31, 1983 - June 3, 2010

The family of Jon “Garrett” White is sad to report his passing on June 3, 2010 in Loveland Colorado. Born January 31, 1983 in Longmont, Colorado, Garrett grew up west of Fort Collins on Rim Rock Ranch. He is now with his Lord. Surviving Garrett are his parents, Jack and Beth White of Ft. Collins, sister Jessica White and husband Jay Mansfield and two children, Evan and Ivy, of Loveland. Also, Uncle and Aunt, Jerry and Gerry White, and daughters Laura and Heather and family. Garrett is also survived by his fiancé Katie Johnson of Loveland and his beloved Jack Russell Terrier, Fuzzy. Garrett’s biological mother, Susan Roche, resides in Aurora, Colorado. Passing before Garrett were his paternal grandparents, Vincent and Elva White of Ft. Collins, and maternal grandparents, Austin and Betty Joy of Anchorage, Alaska. Through high school, Garrett enjoyed riding ponies and Appaloosa horses that his dad raised, and playing with the family Dalmatians. Garrett's mare, Won a Queen, was Champion Two Year Old Race Filly and Garrett thrilled at his magazine interviews, and the trophies and money she won. Garrett also team penned with his sister Jessi and cousin Laura for several years. He attended Rocky Mtn. High School and graduated from St. John's Military School in Salina, Kansas in 2001. Garrett proudly completed the school’s Bataan Death March conducted in White Sands, New Mexico, being one of only a handful of students to successfully complete the tortuous 26-mile march. Other than living for a year in Florida and experiencing one too many hurricanes, Garrett lived in the northern Colorado area. He loved cooking, the outdoors, animals,

sports, and music. A memorial service will be conducted on Monday, June 14, 2010 at 1:00 pm, at The Father's House Ministries, 241 Racquette Drive, Fort Collins. Donations or contributions are suggested in Garrett's honor to Suicide Resource Center of Larimer County, 315 E. 7th Street, Loveland, CO 80537 (970-635-9301) or any charity of your choosing.

“ *We just want to express our deep sympathy to Jack and Beth for their loss. It has been a long time since we have seen each other and when I read this over the internet, I was very sad! To read that your Son Jon went home to be with the Lord is wonderful. He certainly is a lot happier with Jesus than here in this world with all it's problems! Because my wife, Dawn, has Alzheimer's we will not be attending your memorial service, but please accept our prayers for you that The Lord Jesus will hold you up during this extremely tough time! “ Beth & Jack,
I can only begin to imagine the feelings that you're dealing with right now and want you to know that you're in my thoughts and prayers. No parent should outlive their children and have to go through what you are now dealing with. I wish you my deepest sympathies and for an easing of the grief that surely must be overwhelming right now.

How very sad for all who loved him, and for the people who love them too. Words seem inadequate to express the sorrow we are all feeling. May time bring you comfort and healing.*

“ We were so sorry to hear of your loss of your son, Jon. We, too, lost our 1st born son at age 29, 14 years ago. We do know what you are going through and we will have you in our prayers and hope that you can find the peace that surpasses all understanding. Do think only of the wonderful memories of Jon and how blessed you were to have him as long as you did. He truly is in a better place, but I know that doesn't ease the pain right now. Find strength in the Lord and in each other. God bless all of you.

“ I'm so sorry for your loss. Unfortunately I've witnessed the pain losing a child does to a mother - it changed my mom for the rest of her life. Please remember the good times and only allow this event to change you for the better, and bring you closer to your other children. I know no words can help at this time, but you and your whole family will be in my prayers.

“ Dear Mr. & Mrs. White,

Iâ??m terribly sorry to hear of Garrettâ??s passing.

Iâ??m so fortunate to have known Garrett and carry so many wonderful memories from our friendship in school. Some of my favorite memories come from spending time on the ranch; learning how to ride ponies, drinking coffee with honey, and driving all over in the golf cart (even where we werenâ??t supposed to)! I will cherish our time together and wish you the best, thanks for everything.

“ *Garrett was the greatest big brother anyone could ever ask for and I am going to miss him so very much. He was my protector forever and always. I love you so much Garrett. You inspired me to be the person I am today. I thank you so much for all the things you did for me. You were always there for me even if you were 3000 miles away I knew you would come to me if I needed you. I will always keep you in my heart and in my memories. I will never forget what a great brother and friend you were to me. I love you!*

“ Dear Jack, Beth and family, I was so shocked when I got the email about your loss. My heart goes out to you. I was living there at Rim Rock Ranch and remember the day when you brought Garret home, a beautiful baby boy! Beth always describe him as a "strong willed child". I hope you can feel some relief from your sorrow by understanding Garret fulfilled his mission here on earth and is now with God. Unfortunately, I am out of town and will not be able to attend his service. If there is anything I can do for you, no matter how big or little, please ask me.

“ It is hard for me to find a childhood memory that doesn't have Garrett or his family in it. We all grew up together like family, and he was my brother. I will never forget all the time we shared, the beautiful person Garrett was inside and out, or the influence he has had on my life.
Rest in peace, my friend.

“ Garrett was a friend always, sometimes absent, sometimes challenging, but his presence always known. The memories are many, childhood events that will endure time, the foundation of a brotherhood now expired. Garrett and I had many of our "firsts" together as we tested adulthood, learning the rules, and growing into men. I send my sincerest gratitude to Jack, Beth, Jessica, Katie and the rest of his family and friends for sharing his life, YOU ALL ARE a major part of my life with Garrett. As parents who gave us all that you had to offer, a sister always ready to hang with the boys and a partner who carried his heart, I send my condolences for the pain we now share in his passing. With open arms, I offer all that i have in support.

Until we meet again brother, i will not forget you! RIP

Thanks for always being there for me and I hope you are in a better place now. My fsmily will always miss you. Love always, Crystall.

“ My thoughts and prayers are with the family and friends of Garrett. I too had the great pleasure of knowing him. He was such an upbeat, humorous person who had more love for the people in his life than he ever showed. He now rests aside his Lord where he can be carefree and watch over his amazing family and friends. My heart goes out especially to his little sister Jessie, a very dear friend to me. I hope she can relive his memories forever and hold him in her heart, as he soars above her, protecting her. Her one and only angel. You will be greatly missed Garrett!!!!!!
