

Jonathan Edward Glenn Chaplin

October 26, 2001 - August 18, 2024

Jonathan Edward Glenn Chaplin, born on October 26th, 2001, passed away on August 18th, 2024 in Wellington, Colorado.

Jonathan graduated from Poudre High School in 2020, where he was a proud member of the Poudre H.S. Wrestling Team. As a member of that team, where he was fondly known as “Chappy”, he went to several championships. The wrestling team was his brotherhood, and he had some of his happiest moments with them. Along with wrestling, he also played football at Poudre High School.

Jonathan was employed as a materials tester with Yeh and Associates, a construction engineering firm, where he most recently worked on projects with the Colorado Department of Transportation. He was an exemplary employee and was considering a career in engineering due to his mathematical aptitude and attention to detail.

Although Jonathan was born in Pittsburgh, Pennsylvania, he was raised in Colorado from the age of three. Therefore, he was a Coloradoan through and through. He loved the openness of the Colorado landscape and the sense of freedom it evoked.

He was an animal lover, music lover and gamer. He relished spending time

with his beloved Alaskan malamutes, Floki and Mishka. Jonathan played the bass guitar and was a metal enthusiast, attending many concerts with his mom, dad and brother. He loved playing video games and had many friends in the gaming community.

Jonathan leaves behind his mother (Laura Chaplin), father (Bill Chaplin) and older brother (Morgan Chaplin). He also leaves behind beloved aunts, uncles, grandparents and friends. He will be missed by all who knew him.

A celebration of Jonathan's life will take place on Saturday, August 24th from 1:00 p.m. to 3:00 p.m. at Goes Funeral Care in Fort Collins, Colorado. Jonathan's family welcomes anyone who wishes to pay their respects to Jonathan; come and go as you please.

“ I am so sorry that this is the way I have to say goodbye Jonathan- from halfway around the world. I have known you since you were 5 and wish that I was able to know you as a man. You were a very sweet and specific soul. My favorite memory of you was that you demanded that I make salsa...as well as the rest of the family...as soon as I entered the door of the house, of course that was after being accosted with jumps, howls and kisses from Kamala and Polar Bear (PB). You even allowed me to hug you even though you did not like it! Ceca and I still laugh and quote you when you first met her, and you said, "... but I don't even like you!" in regards to Ceca.

Rest in peace my boy...

TO BILL, LAURA , AND MORGAN...I LOVE YOU ALL SO MUCH. My condolences. I feel like I have lost one of my own. I am so sorry for your loss.

*Much LOVE,
Jason*

“ I remember you when you were just a baby. Your brother and you running all over. While everyone was busy, you and I played some child games and giggled and laughed. Your such a beautiful loving child. And handsome, oh my gosh. I'm sorry I missed so much of your growing years. But you and Morgan have always remained in my heart and thoughts. I hope your at peace now baby. God's arms will comfort you. And hold you in his light. May the Angels guide you home.

“ We have wonderful memories of “Chappy” and always enjoyed our time with him and your family. Pat and Chappy wrestling an exhibition match at Blue & Silver because they didn’t have an opponent their own size was one of my favorite memories... they were both cracking up! We enjoyed spending time with Jonathan most recently at a New Year’s Eve concert at Chippers. Much love to your family and prayers for you all. It was a joy and blessing to know Jonathan.
