“ *Uncle Joe has been a part of my life ever since I can remember. He was there for camping trips, birthday parties, holidays, and fun weekends together in the summer. Going over to Uncle Joe and Aunt Amy's house always meant a good meal and a good laugh - I remember him most for his sense of humor and his ability to make my very gullible mother believe the most outrageous stories. His kindness and generosity with my family will never be forgotten. Big hugs to my second family! Miss you Amy, Conor, Katie and Ryan! - Love Alyssa*

“ Joe was our son in law and we were so pleased when we met him and learned he and Amy were engaged. One of my favorite memories is from the Hart family's stay in Scotland. IBM had sent Joe to work with the Bank of Scotland. They lived in a small village outside of Edinburgh. We visited them over the Christmas /New Year's holiday. As part of the tourist tripping Joe wanted to show us the views from what looked like a mountain to me. This meant climbing and we would be able to sit in Arthur's seat ( King Arthur) . I was reluctant and Joe just climbed beside me and kept encouraging me onward and upward. The reward was spectacular views of the City and the Firth of Forth. Joe always included us and we had many great times together. We were fortunate to have him in our lives and he will be missed.
