

## Judith Evelyn Corrado

February 18, 1945 - May 17, 2018

Judith Evelyn Corrado, 74, of Fort Collins, died at her home May 17, 2018.

Judith was born in New York in 1945 to parents George and Alyce Grafton. During her life, she lived in New York, Arizona, and Colorado. She was great with people, which helped her excel in her work restaurant management and at a call center.

Judy absolutely loved good food, no junk for her. She loved to read. Dragons were her favorite; she referred to them as the most beautiful creature ever created. She enjoyed taking her grandson to plays, musicals, and the movies, and spending time with her family; but most of all she enjoyed beating everyone at Rummy O!

Judith is survived by son Kelly Brian Grafton Corrado and his wife Dollie Elizabeth Poffenroth of Fort Collins; grandchildren Kyndra Rose Demott-Corrado of Bismarck, North Dakota and Daniel David Poffenroth of Fort Collins. A Celebration of Judith's life will be held at a later date for family and friends.

Judy will be missed by all, she was high spirited and never complained and if she didn't like something you did, she let you know. There was never a dull moment. She fought long and hard, but we know that she would say, "I lived a

wonderful life and I was blessed.” We were the ones that were blessed,  
blessed to call her Mom, Grandma, and Friend. She was a wonderful person.  
Never Goodbye, but Till We Meet Again. We Love You!

“ *I met Judith at work, Center Partners. She and I became friends. I can share that Judith held nothing back! She said it just the way she saw it. I cherished my relationship with her. Judith was a fantastic saleslady. She was close to her supervisor, Brian and thought that the sun rose and set in him. Judith came to our home one year at Thanksgiving. It was a wonderful time. Lots of good food and of course with Judith there you would not want for good conversation. I miss Judith. I miss stopping at her house and seeing her and her Scotties. I look forward to the reunion, someday, Judith. until then, I will keep warm thoughts of you and hold on to some great memories. Jerry.*
