“ I was pleased to volunteer with Judy Hyfield Starr President FC Symphony Guild 2006-2007. She chaired the Sharp Flats Fundraiser. She was competent & Committed to raising funds for the FC Symphony Orchestra. It was a pleasure to know her. We both were members of Redeemer Lutheran Church. I was honored to visit her in hospice on her last days.

I was sorry to miss her celebration of life. I broke my R humerus falling going down a 16 step staircase in heels on step 15 in an unfamiliar venue for my nieces wedding just before the Rehearsal Dinner started in Minnetonka Beach, MN. I was in pain & receiving home PT/OT. I plan a full recovery.

Tamara, you had a very talented mother-may many fond memories of her sustain you this next year. We will all miss her.
