

Judith "Judy" Ann Allison

September 15, 1941 - January 1, 2025

Judith "Judy" Ann Allison, of Fort Collins, CO, passed away peacefully on January 1, 2025 at the age of 83, while in the care of hospice.

Judy was born on September 15, 1941 in Denver, CO, to Alfred and Freda Meyer. She grew up in Fort Collins, CO, where she attended Fort Collins High School, and lived her entire life. She was a wonderful single mother of two daughters who always put their needs first. Judy worked various jobs, including Fishback Photography in Fort Collins, before endeavoring to put herself through school to earn a secretarial degree in order to support her family. Her first secretarial job was in 1969, working for the Poudre School District. She later worked for Colorado State University, the City of Fort Collins, and the Larimer County Sheriff's office as a dispatcher for many years, earning the respect and love of her co-workers.

Judy was a woman of varied interests, always showing an abiding desire to learn and explore. In her younger years, she enjoyed travel with her daughters. Judy also enjoyed horses, old cars and anything mechanical (often naming them - her car was Nellie) and endeavoring to understand how things worked. Judy collected antiques, books on a multitude of topics (including a medical dictionary which she constantly researched and studied), scores of musical albums, and anything that had to do with cats. Always seeking to learn and improve herself, Judy would create word cards from the dictionary,

complete with definitions and pronunciations, so that she could enhance her vocabulary. She was extremely organized, labeling the smallest items, and kept records of every conversation, gift and event that happened in her life. Animals were Judy's passion and any stray cat was taken in and cared for. She could not stand to see anything suffer neglect and gave generously to various charities. She also enjoyed the prairie and scenic drives to look for old houses or windmills. Judy truly delighted in life, had many dear life-long friends, and made an impact on all who knew her and were blessed by her smile and humor.

Judy is preceded in death by her parents and daughter, Lorrie Nelson. She is survived by her daughter, Roxxe (Randy) Wootton of Laporte, CO. She is also survived by her grandchildren, Jacob (Mindy) Wootton, Joseph (Kassidy) Wootton, Mindy Spence, and great-grandchildren, Dakota, Chet, Misty, Wyatt, Cody, and Sierra.

Cremation was chosen and a memorial service will be held at the Goes Funeral Care in Fort Collins on Saturday, February 15, 2025 at 2:30 p.m.

“ Judy and I worked together for years at the Sheriff's Office. I was very young when I started and Judy 'filled me in' on the 'interesting' things to know about many of our co-workers! Ha! We connected over our mutual love of animals. We both rescued and placed in homes many, many strays - primarily cats. Judy had a deep love and compassion for animals - that is something that speaks volumes to me about another human being. God Bless you Judy.

“ I had the pleasure of meeting Judy while we both worked at the Sheriff's Office. Judy first worked at the Jail and then in Records. I got to know Judy very well and realized that her Daughter Lorrie and I went to school together. During the time Judy worked at the SO, her and I became good friends. She watched my 3 girls grow up and had a soft spot in her heart for my middle daughter. After Judy retired, we kept in touch and I would keep an eye out on her as I passed her house every day. She loved her 2 cars and adored her cats. Besides Taco Johns tacos, she did like her little dip in her lip which always made me giggle. I go by your house daily and think of you every time. Rest in Peace Judy.

“ Judy’s daughter moved in across the street from me. Lorrie was very cute, drove up in a purple Chevrolet, and got out of her car.... I looked out the window and said; Damn! But then her child got out of the car and I thought, Nevermind! (I had never really wanted a child or to be around them) After several days , I thought.... Hummmm maybe! Then Mindy came to my door with a Girl Scout cookie request and I filled out the paperwork.. two minutes later Lorrie came and asked; Did you really order a hundred boxes? I replied, yes, hi I’m Mark and your name is? The next day she asked Judy about this Mark guy and Judy told her; Stay away from him!! He’s bad news! I’ve loved reminding Judy of that moment in time - all these years later. Judy was a Loving and Supportive person in my life. When visiting her granddaughter I enjoyed calling Judy so they could talk... I always planned an extra five minutes for them to throw kisses to each other. Miss Mindy dearly Loved Judy, and I appreciated her Loving Spirit. 🙏 Rest in Peace Tutie Fruitie Judy!!!
