

Judith "Judy" Ann Feyen

April 29, 1944 - April 6, 2022

Judith "Judy" Ann Feyen, 77, of Loveland, Colorado, passed away at home on Wednesday, April 6, 2022. She was surrounded by John, her loving husband of 56 years, her children, grandchildren, sister, and other family at the time she was called home to her Lord.

Judy, the 2nd of 4 children born to Gerald and Mary Lange, was raised in Iowa and started a career at Cartridge Pack doing keypunch entry. This is where she met the love of her life, John. Even though she immediately said yes when he asked her out the first time, it took him a great deal of persistence, and an assist from his future mother-in-law, before Judy finally agreed to marry him. Married in 1965, they raised 3 sons and lived throughout Iowa and Wisconsin before settling in Fort Collins in 1983.

She loved the outdoors and was always ready for an adventure, whether that was camping, riding her 4-wheeler, or zip-lining through the forests of Colorado and the jungles of Mexico. In her final days, she spoke of her desire to return home so she could see her beloved mountains one last time.

Judy loved her family and relished being a wife, a mother, and a grandmother. She is survived by her husband, John, and her three sons and their families, John J. & Cheryl Feyen of Loveland, Tim of Loveland, and David & Taunya Feyen of Johnstown. She is also survived by her sister, Cheryl Lange, from

Iowa. The grandchildren, Cole, Jeffrey, Kade, Abigail, Sydney, & Paityn, always held a special spot in her heart and brought her the biggest smiles and an overflowing bounty of joy.

“ *This world we live in would be a much better place to live if were filled with more Judy's. What a wonderful person & friend Judy was to us all...*

“ Judy,

Our camping circle is forever changed without your stories, laughter, love and smile. Our stories will now include how different it is without you. Our memories include walking on the Oregon Trail, drinking wine, playing train dominos, drinking wine, talking about our children and grandchildren, playing smoke and fire and your wonderful Christmas parties. Though my favorite memory will always be losing my earring at St Vrain. We all looked and looked and finally you said, "We need to look at the bottom of our shoes." Sure, enough it was on the bottom of your shoe. LOL!

You were a blessing to so many lives and we all know that you're watching over your family and friends and at peace.

*Forever in our hearts!

“ *I truly hope that everyone in their lifetime gets a chance to meet a person as genuine as Judy. She was an incredible person. Kind, considerate, caring, loving, funny and selfless, just to mention a few of her amazing qualities. I have been blessed to share some incredible time on this planet with her. She will be missed by all who have been so lucky to know her. My sincere condolences to John and the rest of her dear family.*

“ Mom,

I'm sure I'll share more, publicly and privately, in the days to come as there are a lifetime of memories, joys, and smiles to reflect upon. For now though, thank you for always being there, for being soft when needed, hard when called for, but always filled with love. You and dad formed the foundation upon which I built my life, and oh, what a blessing it's been!

I'll miss you, mom, but I know you'll be checking in on the family, especially dad, and our smiles and laughter when we think of you will soon be more abundant than our tears of grief.

*Thanks for all of the love!
Johnny*
