

Judy Ann Bollinger

December 24, 2019

Judy Ann Bollinger, 69, of Ft. Collins, passed away quietly in her sleep, on Tuesday, December 24th, 2019. She touched so many lives and will be forever loved by her family and friends.

Judy was born in Missouri, in February 1950. She and her family moved to St. Louis, Missouri when she was young, and settled in Brentwood. She attended McGrath Elementary School with her sister, JoAnne and went on to Brentwood High School. Judy had a warm, infectious personality and was so blessed to make many, lasting friendships.

Judy enjoyed working and meeting new friends.....she worked at Tennis and Bath Clubs, retail shops, and the position she had at The Pasta House Corporate Offices was her favorite. The friendships she made were precious to her and it was here she began her love of the St. Louis Baseball Cardinals. She was able to meet some of the management, radio announcers, and team players. She also made trips to the Cardinal spring training in Florida and by far, was their number 1 fan. We will miss the many baseball stories Judy shared with her friends and family.

She and her mom moved to Ft. Collins in 1999 to be closer to their Colorado family. She loved to be outside in her backyard with her cats, picking weeds and planting flowers, or sitting in her lawn chair in the garage talking to her

neighbors. She worked at Front Range Insurance Company, and made multiple, lasting friendships. She loved to engage people in conversations, allowing her humor and warmth to shine. She held all of her friendships as special gifts in her life and continued to keep in touch with many friends. She loved to send cards for any occasion....or to check in to say Hi.

She is survived by her sister, JoAnne Bollinger, brother-in-law, Kelly Johnson, nephew and light of her life, Joshua Bollinger, and his wife, Brianna Bollinger.

She was preceded in death by her parents, Bill and Lois Bollinger.

Judy's Memorial Mass and Celebration of Life will be held Saturday, January 25, 2020, at 11:00am, at Saint Elizabeth Ann Seton Catholic Church, Ft. Collins.

Most of her friends knew she was a huge animal lover, especially cats. In lieu of flowers, please consider a donation in Judy's memory, to the Larimer County Humane Society, 3501 E 71st Street, Loveland, CO, 80538.

“ Oh, Sweet Judy!

Judy with the connection and compassion for animals unlike any other!

Judy who took life in stride – never a complaint and always with the attitude that things would get better.

Judy who had a way of speaking to others in a way that made you feel like she was taking you into her confidence and sharing her innermost thoughts. I can still hear your voice, “Well, Jen...”

Judy who was never a gossip and always saw the good in people.

Judy who left an imprint on my life.

With love and in your honor, I will pet as many cats in life as I can and whisper to them about how much Judy would have loved them!

“ *I only met Judy once. We were visiting the area with a friend who was already friends with Judy. I can say that she was a lovely lady, and I acquired an odd sense of knowing her all my life in just a couple of short days. My sis and I missed her after we returned home and even sent her a cat necklace for her birthday that year. She made such a wonderful impression on us. Prayers for the family. Karen Layman and my sis Mary Jeanne Elek*

“ *She was a wonderful friend and neighbor. She cared for our cats when we would go out of town and I knew they were in the best care I could give them. She was like a grandma to my children and is very missed.*

“ *Judy, I called her “Jude”, was a good friend of mine. I’ve known Judy for nearly 51 years. Judy had a cutting wit sprinkled with sarcasm that brought out a hardy laugh. She loved working outside until the flexibility and joints said, “ah, not now”. Judy was born a huge sports fan. The Saint Louis Cardinals were her number one favorite team across all sports. I could always have a discussion on how the Cards were doing from day to day during baseball season and off-season too. After baseball, the college basketball scene was prominent always with a game on TV or ready to watch. Judy won a few basketball brackets in her day. Judy was very fond of her nephew, family and all the pets she had over her lifetime. So long Jude and farewell. You will be missed and always loved.*
