“ *I am so very sorry to hear of Judee's passing. My thoughts and prayers are with all of her family. Please accept my deepest sympathy and prayers.*

I worked with Judee at Kodak/Danka. She was a very kind, compassionate, caring lady who was always trying to help others in our Call Center. In her very quiet way, she would show care and concern and be there if someone needed help. Her deep faith was reflected in all that she did. I remember she was very talented and made beautiful crafts.

May God Bless you all during this very difficult time with His peace, comfort, strength and encouragement.

With sympathy and prayers, Lisa Adsit.

My deepest sympathy to all of Judee's family & friends. I worked with her at Kodak Colorado for 8 years. She was always sweet & kind with a soft spoken voice. She asked me to go to a quilt show in Loveland, CO many years ago. She also brought food to my mother & me unexpectedly when my father passed in 1999. We kept in touch some after that but later I didn't hear from her. I had always thought of her! I know she's at peace in heaven. Bonnie Rolfs-Deibel.
