“*Julia was the first friend I made when I started going to Olander in 2nd grade. I came home that night and told my parents about how I made a new friend and pushed her on the swings during recess. I went on field trips with her to King Soopers and McDonald's as a helper. My senior year of high school at Rocky Mountain, I was Lobo of the month because I helped Julia during class. Julia was always cheerful and smiling. I will always have great memories of Julia from elementary through high school. She was a wonderful person and will be dearly missed. I am deeply sorry for your loss and will keep your family in my prayers.*
