

## Julie Ann Fisher

January 24, 1957 - November 7, 2015

Julie Ann Fisher (nee Miller) passed peacefully in her sleep in her childhood home after a heroic 2 year battle with ovarian cancer. She was surrounded by her high school sweet heart and husband of 35 years, Jack, her daughter, Sara Kooiman (James) and son, Lane. She is also survived by her mother and father, Russell and Del Miller, her sister, Laurie Miller, brother Craig. She was 2 months shy of her 59th birthday. Julie was a 1975 graduate of Fort Collins High School and a 1979 graduate of Colorado State University. In lieu of flowers; donations can be made to the American Cancer Society by going to [www.cancer.org](http://www.cancer.org) in her name. Julie and her family encourage all women to request annual testing for this devastating and under diagnosed disease.

“ I recently came across Timnath school annual which urged me to try and find some of my classmates. I'm very saddened to come across this news. Since we shared the same last name, many thought we were twins. I'm sorry that I waited so long to reconnect. It is great to see Julie has such a wonderful, loving family.

Blessings,

Ken Miller

“ *Julie was one of the sweetest, most genuine, people that we have ever met. She always had a smile on her face, and a kind word for everyone. She always shared with us what Sara and Lane were up to...she was so proud of you both! She will truly be missed by all of us at Beavers...what a lovely lady! Please know that your family is in our thoughts and prayers.*

“ We were privileged to have had Julie and her wonderful family as neighbors for many years. She always had a smile on her face. A fabulous gardener. She could grow anything! And a very talented artist. We have a beautiful iris sculpture she made. Now we'll get to remember her each time we see it. She was an extremely hard worker. She painted her house and garage with a brush! Two coats I believe. We will miss seeing her on her bike or at Beavers. Julie was a fabulous Mother, so very proud of Sara and Lane and she seemed to be able to talk Jack into all kinds of welding projects. A great family. We are so sorry for your loss and so glad we knew Julie--Gail and Bud McMahon
