“ There were too many summers together as kids to give just a single memory, so I'll give a few: kick the can at Aunt Charlotte's, riding dirt bikes all over the farm, Grandma Novacheck and her white car coming down the road, Kathi, Sara and Mark staying at Grandma Novacheck's and keeping us from our chores, visits to St. Louis and Connecticut too see the cousins, etc. We always loved when the cousins visited, and Kathi and Ann always pretended they were twins with their pigtails and tomboy ways. Life was good. And Ann is right, this picture of Kathi shows the same big smile I always remember seeing when we were running through whatever we were running through when we were kids.

“ That picture of Kathi is exactly how I will always remember her. A huge, bright and shining smile. Always a good time when Kathi was around - she was the best. I will always love and miss her. She was at the center of many of my fondest childhood memories and I will never forget them. My thoughts are with everyone important in her life - Uncle Francis, Aunt Judy, Mark, Amanda and her many, many friends. I also am thinking of Sarah, as always. Peace to all of you.
