

Kathryn "Kat" Rose Hastings

February 10, 1995 - October 18, 2022

Kathryn 'Kat' Rose Hastings, 27, of Timnath, Colorado left us on October 18, 2022, for her next journey.

Kat was born in Loveland, Colorado February 10, 1995, to Russel D Hastings and Mary Christine Hastings with a smile on her beautiful face.

Kat leaves behind her parents, Russ and Chris, sister Sara, nephew IZIAHA, nieces Lillei and Mila, all of her Vanner family, and all of the young kids she loved teaching.

Kat attended Timnath Elementary, Preston Middle School, and graduated a year early from Fossil Ridge High School to get a head start on her life.

Kat loved animals and was a member of 4H to experience them on many levels.

Kat attended Front Range Community College to study things she loved: early childhood development and photography.

Kat fulfilled one dream when she became a nursery school teacher, sharing her unique and beautiful spirit with young minds and souls.

Kat's special fashion sense and style lead her to start her own LuLaRoe and accessories business to help her fulfill her needs for more clothes.

Kat will be missed for her beautiful smile, young, friendly, free spirit, by her family, friends, Vanner family and love of all animals.

Kat's celebration of life will be October 29, 2022, at Timnath Presbyterian Church, 4020 Main St. Timnath, CO from 1-5 pm. Please dress in bright colors with a smile on your face and warmth in your heart, in honor of Kat's love for you all!

In lieu of flowers, please donate in Kat's name to an animal rescue or Timnath Presbyterian Church.

“ Kat was taken so soon, I bet that where ever she is she has taken charge and is creating smiles on everyone's face. After the grief subsides we will smile again when thinking of her squeaky voice and quirky mannerisms that was so unique, so Kat...

“ Kat had a beautiful soul and I will cherish the memories of her. She could be a whirlwind rushing through your day or very melancholy...you were never sure which Kat you'd be working with each day. We had impromptu lunches that we shared a lot of ourselves with each other. The random calls or texts after I moved out of state had us laughing like we were in the same room. You were a good friend and you will be missed. Blessing of comfort to your family.

“ Kathryn used to come to my house some mornings for a couple hours so I could take her to afternoon kindergarten. I couldn't get enough of her as at that time I just had one baby boy. I remember painting her nails and tying ribbon in her hair to get ready for school. One day I curled her bangs and from then on she would ask with excitement every morning if I would curl her hair before school. I'm pretty sure I gave her her first curling iron burn. Kat was such a sweet little girl its no surprise she blossomed into a beautiful caring young lady with a smile that could light up a room. Kat will be missed by many. Russ, Chris and Sara, I'm heartbroken and deeply sorry for your loss. I pray for peace and comfort during this devastating time.

Love, Michelle

“ I just heard the news last night and it has broken my heart! I hired Kat years ago at KinderCare and encouraged her to take Early Childhood classes. Kat also worked for me again at Primrose for a short time. I always called her "Katrina". Her smile and energy were such a bright light! Sending your family thoughts of peace. With Love, Ms. Julie
