“ *Kathy was the dearest friend I have ever been blessed to know . We were friends for over 20 years. I went with her to pick out her2 kittens Squirrelly Shirley and Fraidycat Fred and drove with her to New Mexico where she got Kobe, her beloved puppy. Those short trips were a cherished time to share old memories and hopes for future times to come. We came together as heart and soul friends because of our love of our Lord and Savior and the only comfort I have is knowing she is with our Lord forevermore. I will hold her in my heart always*
