

Kati Lyn Perdue

January 12, 2021

Kati Lyn Perdue, 36, of Loveland, Colorado, died January 12, 2021 at home surrounded by loved ones.

Kati was born in Denver, CO to Bill and Chris Arbegast. She graduated from Chatfield Senior High. She loved playing softball and running track and she still holds the school record for pole vaulting. She enjoyed attending youth group and girl's bible studies. She earned a Bachelor's Degree in Sports and Exercise Science from the University of Northern Colorado, where she also played rugby.

Kati cared for so many people and was called to serve as a dedicated E.M.T. and cardiovascular technician. She cherished being a mother to Jackson and Cody and loved them to the moon and back. Kati and Ryan Perdue got married on their property in Loveland against the backdrop of Long's Peak. She spent her last days at home with her boys, her family, and her friends as we watched the pink sunset fall behind that same view of Long's Peak. Kati lit up every room she entered and was the life of the party. She loved generously and with her entire heart. She will always be remembered as an incredibly loving wife, mother, daughter, sister and friend.

Kati is survived by her husband Ryan Perdue, her sons Jackson Patterson and Cody Patterson, her mother Chris Arbegast, her sister Leanne (Ryan)

Stover, and numerous other family members. Through her life and work, Kati was always surrounded by family and friends. Because she was loved by so many, she had an amazing support group through her cancer journey. She had a personal relationship with the Lord and has now been called home to her Savior.

“Everything will be better in the end. If it’s not okay, it’s not the end.”

“The Lord is my strength and my song; he has become my salvation.” Psalm 118: 14

The family would like to extend their deepest gratitude to Kati’s entire oncology team at UCHealth for their care, compassion, and support throughout Kati’s treatment for breast cancer. In memory of Kati, the family welcomes a donation to UCHealth Cancer Care in Loveland, or to donate blood to your local blood bank. A celebration of her life will be held in the spring.

“ Kati lit up the room with her smile, beauty and full personality. She was an extremely important part of the Cath Lab teams across the North Region and will be severely missed. I am blessed to have worked with her for over half of my nursing career and we lost her way too soon. All our love goes to her family, from UCHealth Medical Center of the Rockies, Poudre Valley Hospital, Greeley Hospital, and Longs Peak Hospital Cath Labs. We LOVE you!

“ I worked with Kati for 4 years at the Heart Center. What an amazing person she was. Her laugh was contagious; she was kind, beautiful and full of life. Some lights never go out, even when the shadow of death comes. Kati had that kind of light. She will be missed, but never truly gone. Love to those sweet boys and to all her family and friends. Safe home, sweet light, dear girl.

“ I first met Kati this past summer when she and Ryan joined us out on the boat one day. As horrible as the smoke was, it was beautiful on the lake. Ryan taught us all how to fish, and to do the world's best belly flop into the lake. We laughed had a great time where we finished our day at Old Chicago. That day Kati finished her 2nd tour. I thought to myself, "Not only is this woman amazing, beautiful, smart, sweet as can be, but she finished 2 tours?!" We were so impressed!

Kati I am glad I got to meet you, to know you and I was able to call you my friend. Even though it was for a short moment I will hold you dear to my heart!

Kim Walker - January 19, 2021 at 11:55 PM

I was so impressed when meeting Kati she was instantly was my granddaughter miss dear but we know u are with the Angels 🙏❤️🙏
