“ We were so sorry to hear about Uncle Kenneth.

I remember a man with a twinkle in his eye, a smile on his face and a joke on his lips.

A man that loved his family very much and will be greatly missed.

“ My mother (Lottie) and I want to express our condolences to the family. Lottie was Kenneth's aunt and she (87 years old) remembers Kenneth as having a good sense of humor. One of her memories of Kenneth was when he helped my dad (Lawrence, deceased) pick corn. He was reliable and hard working. In later years, Kenneth visited my parents at their home in Hills, IA and shared memories of growing up in Iowa. Lastly, I remember that Kenneth the expert glass man replaced some glass in a cabinet which I accidentally broke.

We thank God for family and for the opportunity to have known cousin Kenneth.
