“ We are so sorry that Kent passed away last week. It has shocked and saddened us.
Kent and I flew the Twin Otters together at Rocky Mountain Airways (see picture). Kent was a good and knowledgeable pilot and a pleasure to fly with. Whether in or out of the cockpit, he always had a smile on his face, kind words and greetings for everyone and a good-natured spirit.
Kent was always welcomed at the RMA parties and occasions, bringing his friendly and gentlemanly ways.
Our memories of Kent and the times we had together will keep him in our hearts forever.
May your memories serve to comfort you and bring you peace during this difficult time.
Kent, May you Rest In Peace and Rise in Glory.

“ Kent was my neighbor, and very kind. I loved seeing him ride his recumbent bike last year, and having a big smile on his face. We will miss you!

“ *I did not know Kent well, but what I did know of him was pure gold. He always welcomed me with a meaningful hand shake and a direct look into the eye. His character was admirable. He was a thankful man. I give thanks for my time spent with him. Now he can spread his wings and FLY forever. Blessings for his family*
