

## Kyle Welty

August 18, 2020

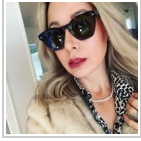

Kyle was the youngest child born to Dr. Alan Welty, DDS and Joy Welty. Kyle grew up in Corunna, Michigan on the Welty Farm. Kyle showed his first chicken in the Shiawassee County Fair at age ten when he plucked the resident rooster from the hen house, entered him and won Grand Champion Cock. Kyle went on to show sheep, chicken and even baked goods at the fair as both a member of 4-H and FFA. He also followed his siblings into the water, competing in swimming and holding records at Corunna High School (class of '88).

Kyle graduated from University of Montana with a B.S. in education and minor in geology. There he followed another family tradition of playing rugby with both the U of Montana Jester and the Missoula Maggots. He earned a Masters in Geology from the Montana State University in Bozeman. Kyle taught high school science in Wolf Point, MT, Harrison, MT and Rifle, CO before pivoting to geologist working as a mud logger for natural gas exploration. He created his own consulting company, Hollowtop Geological Services, with the motto of "If it can't be grown, it must be mined".

Kyle's loves were his dogs and his '59 Edsel. He hunted, skied (until his knees gave out) and bicycled. He was an avid card player of Cribbage and Euchre. He enjoyed craft beers and had a standing Wednesday night Euchre game at his favorite brewhouse, Grimm Brothers, in Loveland. He is survived by his

mother Joy, brothers Kurt and Kris and sister, Beth (Welty) Dreyfuss.

# Tribute Wall

“ You were the Sam to my Dianne. Thank you for the memories and for introducing me to topping a turkey with bacon. That Thanksgiving we had cornbread stuffing and it was good.

“ Beth Scott lit a candle in memory of Kyle Welty

Beth Scott - September 19, 2020 at 03:01 PM

“ I am very sad that my ,brother for a year‘ passed away. I stayed with the Welty family as an exchange student in Corunna and graduated from CHS in 1981. There are many good memories connected with Kyle, on the farm, on family trips and holidays. Sending warm wishes from Hamburg, Germany, to Michigan.

“ Kyle (we called him Reg) was my neighbor and the youngest brother of my neighborhood friends. He was like a little brother because I was constantly around his older brothers. I have very fond memories of him being like a little brother. Constantly around and us picking on him and daring him to do things. He was a god sport and a tough kid. Rest In Peace my friend.
