

Larry R Benner

December 2, 2021

Larry R Benner, born in 1946 and passed on December 2, 2021. Larry was a retired County Extension Agent agronomist who also retired from his second “career” at Home Depot. He earned his Master’s in Agronomy from CSU which was interrupted for a two year stint in the U.S. Army. Larry was known for his practical jokes and pranks as well as his infectious smile. Larry requested that in lieu of flowers a donation be made in his honor at your local animal shelter or an act of kindness in his memory.

“ *In 1972 we served together in the most unlikely place the U.S. Army could find for us. He was even tempered and humorous and I never heard him say an unkind thing. He had a gentle cynicism that made unpleasant things seem trivial. This was no small trick considering the circumstances. God bless him and care for his wife.*

“ *Larry was a wonderful man that I feel blessed to have called a fiend. Always there to lend a helping hand and was such a kind and gentle soul. He was a great role model for my kids and they always enjoyed whenever "uncle" Larry was around. I will miss our walks and conversations about life. Those of us who got to know and be around Larry are better because of him. I'll miss you buddy!*

I just learned of Larry's passing and was a HS classmate of his back at Valley High school class of 64. He was always the nice quiet guy in our class with a twinkle in his eye. So sad that he is gone. My condolences goes out to Sherry and Larry's sisters

“*Larry was such a wonderful man. He was a great friend. He lived with kindness toward others every day. He loved his friends, he loved dogs; he really enjoyed a good piece of pecan pie! But most of all, he loved Sherry. Chuck and I were honored to have him as our friend. We will miss him so much.*

“*Larry was a gentle soul who loved to laugh, prank and whistle. Occasionally when one of his favorite songs would play ("You're the one" by Dwight Yoakum) he would close his eyes and whistle in tune until the song ended. I'm not sure what he was thinking but the song probably took him to a place full of good memories. We shared many laughs and lunches. When dessert was mentioned, Larry was always "all in." He could consume large portions and never gain a pound. We teased that we were brothers and when we were together it seemed true enough. To me, he and Sherry are indeed family. I will always cherish the times we spent together.*

“ Oh where do I begin with all the wonderful things that Larry did for me. He was the dad I never had. He would take me to all the father daughter dinners. I have been so blessed to have him for 60 years of my life. He was the prankster who filled the trunk of our car and suitcases full of rocks □□□ when we were going to Yellowstone for vacation. Dave asked me why I put all those rocks □□□ in our suitcases. Didn't take long to figure it out who really did it. Larry had the biggest heart ❤️🔥 to help anyone out in any situation. The best wood worker ever. May have taken time to get things made but quality was who he was. My heart is broken and I know that Larry isn't suffering anymore. I hope people see the true love that Sherry and Larry had for each other and learn how to be kind to one another no matter what. We got it from here and Dave and I promised Uncle Larry we will take great care of Aunt Sherry. RIP uncle Larry. 🥺🥺🥺
Please remember to do a act of kindness!!!!

Larry or affectionately known as muggsy or whistle britches was not just my uncle, he was a mentor, a great friend, prankster, uncle and someone everybody should have the opportunity in their life to know. He definitely enriched my life with his kindness and love he freely gave to mom and us kids. He was someone that required me to have a bit of patience when it came to we needed to eat and run....fast for Larry was on the basketball court not at the dinner table. I was glad he made it to Alaska with his good buddies and do some fishing. I know Aunt Sher he will always be next to you. Love ya mugs
