

Levi S. Watkins

December 29, 2023

Levi Samuel Watkins, age 39, of Fort Collins, Colorado, passed away peacefully on December 29, 2023.

Levi was born in Waynesboro, PA, to Vicky Louise Summers and Robert Watkins and lived in several states while growing up, graduating from Fort Collins High School. He moved back to Colorado in 2003 to live with his devoted grandma, Betty Summers, and then came under the care of his Auntie Jean and Uncle Ted Jenes. He is preceded in death by his baby sister, Aleah Cabri Watkins, and his mother, Vicky Louise Summers.

Levi was a gentle soul who loved his extended family with unwavering devotion. He was especially close and devoted to his Auntie Jean. Levi had a head for facts and figures and would greet each month with a detailed list of each family birthday that month and his fond memories about each person. He talked often and fondly about his two old cats, Sheeba and Pistol. Levi was deeply invested in his favorite sports teams, the Detroit Red Wings and the Kansas City Chiefs, watching every game and reciting detailed statistics going back to the teams' earliest days to anyone who cared to listen! He loved watching his favorite old TV shows and movies and was an expert at all of his best-loved Super Nintendo games.

Levi will be deeply missed by his entire family, especially his Auntie Jean.

“ Meeting Levi during his stay at the Residence at Oakridge was a distinct pleasure. He was easy going and had such a friendly attitude. His ability to recall details, and have a discussion on most any topic, made it very interesting to spend time with him. Rest in Peace.
