

Lisa Hammontree

Heaven gained the best angel there is. Lisa was so full of life and knew how to use the best of what she had, she was so loving and giving to everyone around her. She loved being a grandmother to her grandkids Alexis Medina and Niko Flores, and she always tried to spoil them as much as she could! She was a foodie, she loved to cook and bake, and she always made the best cheesecakes! She also loved to be a girly girl and having her makeup, hair and nails done was so important to her.
