April 6, 1980 - April 30, 2022

Lisa Dawn Shoemaker-Martinez, age 42, of Sterling, Colorado died on April 30, 2022 in Fort Collins, Colorado.

Lisa was born and raised in Fort Morgan, Colorado and then spent some time living in Greeley. It was here she met her husband Steve in 1995. They lived in Greeley for a few years and relocated to Fort Morgan, where their 3 sons grew up.

Lisa was a collector – she gathered knick-knacks, ornaments, odds and ends and rocks from the family’s favorite hikes. She was also incredibly creative. She crocheted and could put things together artistically to come up with beautiful creations. Lisa like to take photos, enjoyed holidays, and loved babies, especially her grandbaby, Lahna.

Generous always, Lisa would willingly lend a hand anywhere it was needed, from feeding people to helping out a stranger. She was energetic and playful and that energy will be greatly missed by all who knew her.

Lisa is survived by her husband, Steve Martinez; sons, Anthony Martinez, Joseph Martinez, and Steven Martinez; granddaughter, Lahna; sister, Dina Shoemaker; sister, Tina Mendez; dog, Momo and cat, Timmy.
