

Lisa B.S. Wilson

August 20, 1960 - January 13, 2017

Lisa Batchelder Stevenson Wilson was born August 20, 1960 in Natick Massachusetts and moved with her family to Laramie Wyoming as a child. She graduated from Laramie High School in 1978, and after travelling to California and New Mexico, eventually settled in Ft. Collins with her loving husband, Donald Wilson. She is survived by her husband Donald, mother Felicia P.B. Stevenson, brother David B. Stevenson, sister Carol Stevenson Baxter, nephews David and Grant Perkins, niece Sienna Stevenson, nieces Zena and Corbett Stevenson, adopted sister Cassandra Manuelito Kerkvliet, adopted daughter Stacy Stelmet as well as multiple furry family members. Lisa was a loving wife, daughter, aunt, sister, adopted mom, and friend who cherished her life and the people in it. Her love for family, including the four-legged ones, was endless. She would give of herself unconditionally and without hesitation even in the face of great sacrifice to care for those who needed her. Lisa was loved by and loved many and will be greatly missed. Her presence of strength and kindness will stay with us forever. She was the epitome of the phrase, “actions speak louder than words” and anyone who knew her never doubted her ability to do anything she set her mind to. Lisa held those around her in awe, with her passion, kindness, and ability to make each and everyone feel important. Her genuine love for her life and the people who were part of it rubbed off on those around her. To have known Lisa is of great value, to be called friend is a great gift. If you were lucky enough to be called friend she would act out of love and kindness, never

obligation, going to the ends of the world to support you. Lisa helped and loved everyone in her path. She was the best hugger-heart to heart and you could feel her love come through. She was always up for an adventure, as long as she had her bear whistle.

Lisa was a Competitive Body Builder in the Women's Figure division. Her drive and motivation was an inspiration to many. Whether at the gym or at her job of 20 years with Columbine Care Center East as the Health Information Management Supervisor, Lisa motivated those around her to be their best, and to rise to any challenge that was presented. She loved going to the gym and to work, and found comfort in helping others no matter what the task.

Lisa was an avid reader, horse person, athlete, and made a point to take care of those around her. She loved a good scary movie, with popcorn and fuzzy pajamas of course! Lisa and her devoted husband of 25 years loved to camp and the best times she had were when she spent time with family and friends. Lisa's parting Party will be held Saturday, January 21st, 2017 from 1:00 pm - 5:00 pm at the Eternal Hope Equestrian Centre, 7503 CR 102, Wellington CO 80549, for family and friends. Fuzzy PJ's are optional. In lieu of flowers, please make a donation to WayFm.com or any local animal shelter.

Because of His grace, He declared us righteous and gave us confidence that we will inherit eternal life.

“ *I knew Lisa when we both worked at LAHR. We stayed in touch after I left in 2012. Lisa always had a kind word for everyone and I loved to see her smile. She took time to listen to people and she had a heart as big as all outdoors. She loved animals and we had that in common. I will treasure our friendship and hold close to my heart the shared memories. May God hold you in the palm of His hand and may He comfort the lives of those you touched. Lisa is one of those rare people who once she touched your life, it was never the same. Rest in Peace my dear friend. You are very much missed.*

Lisa, you popped into my mind today as I was making excuses for myself to not have to workout. Then I remembered "ONE LEG!" and I leashed up the dog and headed out for a walk. I decided to look you up and am sorry to see that you've left us but really girl, you're not missing anything. Everything's kind of been taken over by lunatics and robots. Thanks for being awesome, I don't believe in heaven but if by chance it exists, I hope it consists of 9% bodyfat and constant twinkie intake-for both of us. xoxo

“ Little Lolly,

*You asked for a farewell party
So a party you will get
We'll laugh and joke and eat too much
And the plans get better yet!
While we share how much we love you,
We will feel you on the breeze,
And honor your love of nature
By planting all these trees!
And though this may all seem "too much",
You might think: "how much more can be?"
To symbolize your flight to God,
We'll set these bio doves all free!
We'll raise Whiskey Sours up real high,
Or whatever the choice of cheer,
We'll gladly give you what you want,
We'll party like you are here!*

*Love you "Dawling"
Spongey*
