“ *My thoughts and prayers go out to the family. I am so sorry for your loss of this wonderful lady, that I am honored to have been a part of her life. I enjoyed the time I spent with her. She was very thoughtful and I've told my mom in the past, that if me and Lucille had gone to school together, that I know we would have been good friends. I am so thankful for the year I was given to spend time with her. I miss her very much, and life just isn't going to be quite the same without her.*

“ *We have been "parteners in crime" for 52 years. I am sorry to loose such a wonderful friend and sister. We shared so many happy times together, that I will treasure forever.
Gina and Kevin are a reflection of what a wonderful Mother she was. She was so proud of her grandkids. Her blue eyes would light up whenever she would talk about each one of them.
I will truly miss her, dearly.
My thoughts and prayers are with the family.

“ Gina, Kirk, Brittani and Cory --- We are so sorry to hear of the loss of your Mom and Grandma. She always spoke of you whenever we saw her at Walmart --she truly loved all of you and did enjoy watching the sports and school activities --- that was always part of the conversation. She was always so friendly and had a smile on her face. She will truly be missed by many.

Our thoughts and prayers are with you.

“ I am soooo sorry to hear of Lucille's death. She was a good friend, but I hadn't kept in contact with her lately. I taught both Gina and Kevin at Putnam Elementary. We shared the same birthday, just 10 years apart. We visited, went to baseball games, parties, and always had lots of laughs. Gina and Kevin, please email me if you find time! My thoughts and prayers are with you!!
