April 1, 2022

Lyle “Lindy” Lindamood, age 92 of Fort Collins, CO passed peacefully with family April 1st, 2022. Lyle was born to Lee and Alma (Holmberg) Lindamood and raised in Wahoo, Nebraska.

Lyle is survived by his Daughter Leigh Ann of Fort Collins, Grandson Eric (Porsche) of Padroni, Granddaughter Rebecca (Jeff) of Fort Collins, Sister Norma, nephews Jeff and Doug, nieces Kathy, Linda, Shannon, Lisa and Andrea of Nebraska. Lyle was preceded in death by his wife of 65 years, Donita Bell Lindamood, his brother Merrill and his sister Dorothy.

Lyle was a loving husband, caring father, exceptional grand “father” and friend to many. Lyle filled any room without ever taking center stage. He could easily find the good and humor in almost any situation and it was contagious. Lyle loved sports, from playing golf with his friends to watching Eric play and everything in between.

Lyle retired from his long-lived career as a wireman manager for Western Electric. He was a quick learner and would regularly stop to help coworkers and later support them in management roles. Lyle also served in the national guard.

In lieu of flowers, the family suggests honoring Lyle by donating any amount of

time in a volunteer capacity within your community or sending a donation to the Northern Colorado MS Society in his name: <https://mssociety.donordrive.com/campaign/Lyle-Lindamood-Memorial-Fund>
