“ *My dear sister Marcella, my heart aches as tears continually trickle down my cheeks as I remember all the wonderful memories you leave me. You were the most caring, giving, compassionate, unselfish, loving sister in my life. On February 24, 2022 Our Lord looked down and saw the pain and suffering you were going through. He leaned toward you with His open arms and said "Come With Me". He embraced you as He lifted you, turned and softly placed you in His open space of His heavenly garden. Now you look down at us in peace. You will forever be in my heart and thoughts. I miss you sister so much and know we will be together again.*
