“ *Margaret welcomed me into her family from the first time I met her. She treated me like one of her own.*

*I will forever be grateful to her. Without her, I would not have the love of my life, Michelle, her granddaughter, who makes me who I am. Our perspectives on the world no doubt differ quite a bit, but one thing that doesn't is the importance of love for each other, and love of family...and the lesson of forgiveness. Margaret was Godly woman and her faith did not waiver, even after more than 80 years in this world.*

*Even though not bound by blood, I consider Margaret to be one of my grandparents..someone full of love, life and experience. Margaret will occupy a special place in my heart. I already miss her smile, her laugh, and her love.*

*Margaret will forever be in our hearts.*

*If you were unable to attend, please take a moment to watch the video of Margaret's celebration of life at this link: <https://youtu.be/rzWswRpMvig>. It was a beautiful day, and we know she was there with us.*

“ *My condolences to the family and loved ones. I knew Margaret for many yrs. when she lived at Oakbrook. She was really missed. She was always involved in the activities here. She always decorated the third floor for different seasons. I first met Margaret at Oakbrook. She was a very kind and caring person and a true Christian. She had a very loving family. Kathi was right there for her. She treasured her grand kids and great grand kids. She will be missed by all. Prayers for her and the family. Rest in Peace my dear friend. God Bless.*
