“ I am very sorry to read of the loss of, Ms. Byrne. With all her love and joys, I know she was an amazing woman. I won't pretend to know what you're going through, but what has helped me deal with the loss of those I love is turning to the Scriptures, something that has been a real source of comfort. One Scripture that gives me hope is John 11:25, which says, " Jesus said to her: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." I hope that this verse will also comfort you and, I hope you and your family can get through this difficult time. Please accept my condolences for the loss of your beloved sister, aunt and friend. Sincerely, Meryl
