

Marilyn M. Cameron

May 12, 2024

Our mother Marilyn Morris Cameron left this world on May 12, 2024 at the age of 82. Marilyn loved many activities including playing the piano, listening to music of all types, live performances, and socializing. She also enjoyed skiing, hiking, water skiing, tennis, golf and watching all sports, especially woman's basketball (which her Mother Ruth Morris played for Rifle High School - you may have seen her on the new library mural if you live in, or have been to Rifle). Marilyn loved life and enjoyed being in the middle of the fun. Marilyn leaves behind her husband, Bernard "Bernie" Cameron, as well as her children Wendy, Mark, Greg, Grandchildren Maggie, Brandon & Bri, Riley, Jasper, Finley as well as son in law Ray, and daughter in law Chris. No funeral or memorial service will be held at this time. We would love to read your favorite story, memory, or interaction with Marilyn and ask you to please share here on her tribute page.
