“ *Writing about memories of Mark on an airplane trip to Colorado seems very appropriate. I used to write long letters to Mark on flights and send them during his time in Afghanistan, working as an electrician for contract work for the Army. Those newsy epistles were a welcome distraction for him and resulted in a special closeness in our relationship.*

A very fun memory with Mark was being his Iowa wife during the Murder Mystery at Teener's 80th birthday celebration in Pennsylvania. We totally got into our roles, complete with fake flowers, crazy hats, loud outfits and rode around the yard on the mower tractor. Good times! I will miss you Mark. Love and peace, your Sister-in-Law, Donna Brumbaugh

“ When I met John and Claire, there were all of these little Aharts running about. Now, so many years later, one is gone. My heart goes out to all of you, and I pray you feel God's loving arms around you. I know Bill would feel the same. Love to all of you, Bev Duffy

“ So sorry to read about Mark's passing away. We attended the same high school but we're in different grades. I got to know Mark while in high school because of basketball and we played on the same team when I was a senior and he was a junior. He was a very nice kid and came from a great family. Sending prayers and love to his family. Rest In Peace my friend
