“ *Mary Beth and family,*

Your mom was such an exceptional woman! She was caring, insightful, a true listener, a leader, a counselor to hundreds including staff, a mother who loved her daughter and family, and a pillar in the foundation of Webber Junior High. Her influence will continue to be felt by all of those who knew and worked with her. I am so fortunate to have known her and, especially, to have had the opportunity to have worked with her. May all the wonderful memories of your mom be in your heart forever as they will be in mine.

Love, Sue

“ I am saddened to see that Mary is no longer available for that talk, that walk, that piece of wisdom she always had for me. I was a counselor at FCHS and Centennial for 26+ years and in my early days, Mary was instrumental to my becoming the best counselor I could be. Many good memories of Mary flood my mind.

I send wishes to the family that her memory be a blessing to you all.

“ Dear Mary Beth,
I am so sad that the world has lost Mary! What a wonderful lady she was!! I can only aspire to be like Mary! She was a true role model for me! I knew Mary at Webber Junior High, but had met her through my mother, Virginia Swanson, at Boltz Junior High. Because my mother liked to talk a lot about me at lunch Mary knew a lot about me before we even met!

While we were at Webber we experienced changes in administration, staff, students and policies, but through it all Mary, as head of the Counseling Department was our one constant to whom we could always go to for advice. She led many workshops! The ones I remember most were Anger Management, (imagine needing that in public education), conflict resolution and one of my favorites was when we told to "Circle up"! She was always the model of composure and sanity amid all the chaos and I will truly miss her and her kindness!

May your memories of your lovely mom comfort you in your time of sorrow!

Very sincerely yours,
suzy wells

“ Dear Mary Beth, Jeff, and kids,
I just wanted to express how sorry I am that you have lost such a precious part of your family in Mary's passing, but also how blessed you are to have had her in your daily lives. You have such a beautiful family and I know that you were the center of Mary's universe and life with her must have been so special. She was such an extraordinary woman who touched countless lives. She was *THE* master teacher. Everything she did was to enrich life and help others learn to love and understand one another better. I loved her so very much! She was an intellectual giant and a warm and cuddly grandmother all at the same time. Her insight and wisdom inspired me and others and helped us to grow both personally and professionally. My fondest memories of Mary involve deep discussions of world issues sitting at a corner table at Deja Vu coffee house. I am so thankful she was in my life and that she taught me so many things... especially how to be passionate about lattes, scones, and talking! Thank you for sharing her with all of us. I hope your memories of her will envelop you in a blanket of warmth and comfort and bring you everlasting joy.
Love to you all, Julie Pfeifer
