“ *Aunt Mary was very good to all of her nephews and nieces but I think that she especially enjoyed my antics along with brother Tony. When I spoke with her last year, she still remembered how Tony and I stayed at their house and ate a complete pecan pie that was supposed to be for Thanksgiving Dinner. Mary enjoyed visiting the farm as well and was especially fond of my Dad, Rustee Rustad. After Dad's death, Mary made a special point of spending time with my Mother. She had a generous spirit. My Mother enjoyed Mary and was often reassured by her. Certainly Maureen and her daughters were a wonderful reflection of the best qualities of Aunt Mary. I know that she was very proud of Maureen and her great character and personality. Love, Mike*

“*Maureen, may God comfort you and give you His peace in the death of your mother Mary! What a special woman and dedicated and loving nurse. We always spoke whenever we met- I remember as a child when you lived across the alley from us on the north end- and we always remained friends.
Mary was a wonderful woman-may her legacy of caring for others live on!
Blessings to you and your family.

“ Mrs. Carrigan was such a pleasant, knowledgeable and willing to teach us students back then. I remember her as a very pretty lady, calm and comforting with patients and with us students when we needed a "pat on the shoulder". I know she will be greatly missed. She was a wonderful role model.

“ I did not have the pleasure of meeting Mary but I can see what a lovely caring daughter she raised. A testament to a mother is the legacy she leaves behind. Mary has left a great legacy in such a wonderful daughter and two terrific granddaughters! May God's peace hold your hearts during this difficult time of loss. My Prayers are with all of you-Love Betty
