

Mary Barbara Chappell

August 2, 1954 - March 8, 2015

A beautiful soul has passed from this earth and it is left to us, the living, to honor a life of hard work and hardship. Saying goodbye to a sister and friend is never easy, but we have come to that new road in the passing of Mary.

Mary was born to Ed and Virginia Chappell in Broken Bow, Nebraska; the third of six children. She moved often with her family and lived in numerous states before her family settled in Lincoln, Nebraska. Eventually, the family moved to Loveland, Colorado where Mary lived for the rest of her life. After high school, Mary worked in a nursing home while attending secretarial school. She eventually began working for Hewlett Packard and was employed there for many years before working for the City of Loveland.

As her health declined, Mary faced poverty and homelessness, and found strength in her family, friends and faith in God. Her humble acceptance of help and support gave strength to those who surrounded her. Mary has no more tears or pain, and we see her dream of dancing with Jesus, is now fulfilled.

Our loss as survivors, is her incredible smile that has now been given to the ages and for those who have passed before her; parents, Ed and Virginia; sister, Patty (Bill) Goodyear; brother, Ed and Uncle Joe.

Mary is survived by her family. Sisters, Rachel (Deb) and Karen Singh;

brother, Bob; niece Allison (Todd) Corliss; nephews, Zack, Robert, Everett and Kaleb Chappell; great-niece and great-nephew, , Veda and Christian Corliss; aunts and uncle, Cora (Vaughn) Faish, Annie Fair and many cousins. Mary is also survived by her church family at the Heart of the Rockies Christian Church.

"Goodbye, Sister and Friend. You indeed have fought the good fight... Soar with the Eagles."

The family requests memorial gifts are given to Faith Family Hospitality or Heart of the Rockies Christian Church (DOC.)

“ *So sorry to hear of Mary's passing, we were friends in Bethany, Lincoln NE. I remember being invited to dinner many times with her family, even though they had 6 children to feed they always seemed to have room for 1 more. RIP Mary*
