

Mary Danz

December 25, 1950 - December 15, 2011

Mary Jeanette Danz of Berthoud Colorado died peacefully on December 15, 2011. Mary was a Christmas child, born on December 25th, 1950 to Culver and Olga Danz in Ashland, WI. For the past 25 years Mary lived in Colorado and worked for Vet Line and Sunrise Medical Center where she lit up the office with her joyful laughter and smile. Mary was known to her friends and family by many names including Marnie, Moonie and MeeMoo. One of her greatest joys was the many nieces and nephews who loved her as Moonie. Marnie lived for the weekends when she could head out to scour garage sales for hot deals; she was an HGTV queen and an expert at making a room look special without spending hardly any money. She held a special place in her heart for all animals, especially her cats. She also loved crafting, creating unique hand-made gifts and sharing them with family and friends. Marnie was blessed to have many wonderful and supportive friends. She brought great joy to their lives as did they to hers. Marnie was preceded in death by her parents, Culver and Olga Danz and one niece, Kristi Visocky. She is survived by three sisters and one brother, Donna (Bob) Visocky, Patricia Danz (Fred Mann), Michael (Jeri) Danz, Susan (Todd) Larson. Moonie was the beloved aunt of Jason, Adam (Jen), Jenny (Sean Traynor) Visocky; Nicholas, Jordan and Rebecca Danz; Daniel (Amy), Kerri, Janna (Dan Granger) Larson and great nieces and nephews Nicholas and Drew Visocky, Hampton Traynor, Violet and Charlotte Larson. A celebration of Marnie's life will be held on Wednesday, December 21 at 6 pm at the Berthoud Community Center, 248

Welch Avenue, Berthoud, CO.

“ *Marnie was a very special woman. She always had a smile on her face and a kind word to say to everyone. You could not mistake her laugh because it was full of joy and could be heard several departments away. I loved it and I loved her! Although we did not see one another after she left Sunrise, I always knew that I could call her and we would pick right up where we left off. She was a joy and I know you will all miss her very much. I am so very sorry for your loss.*

“ I got to know Marnie at Curves in Berthoud. It was always a pleasure to run into her as she always had a smile on her face. I got to know her even better when we both volunteered for the Berthoud Historical Society. I will miss her.

“ Although I did not know Marnie very well, she always had a smile and a kind word when we saw each other. On her last day at Sunrise Medical, I had an extra bouquet of flowers that I wanted to give to someone who would appreciate them and I chose Marnie. I will always remember her huge smile of appreciation and a big bear hug. Rest in Peace special lady.

“ I grew up in a neighborhood full of wonderful families and the Danz family was part of that neighborhood. I remember Mary as a sweet young girl who had a big heart for all living things. Her smile was infectious. Having lost two brothers this year, I know how hard these times are on the Danz family. Vicky and I send our condolences.

“ Dear Donna and all Mary's family,
So very sorry to hear Mary passed. I had not seen her since our 10th class reunion! But will always remember her kindly. One of my best memories is of the circuses we neighborhood kids would put on - in the Danz backyard because you guys had **THE BEST** swingset of all.
Sincerely,
Jana (Josephson)
