“ *It's been many years since Mary came to visit our family (Hutcheson's) on the farm in Iowa. She was a dear friend to my aunt Maud. I remember visiting her in Ft. Collins and going to the Dove home for Walleye fish fries. Sadly we lost touch over the years but look forward to all meeting again in paradise. Jean Johannsen (Hutcheson)*

“ *She was an amazing woman. A generous, loving, hard working straight shooter. I always knew where Mary stood and I loved her for her forthrightness and her determination to keep moving forward in spite of the many challenges she faced in her life. She was, and likely continues to be, a strong presence in the lives of those she loves.*

My sincere condolences to her family.

“ When I first moved to CO in 1967 with my husband Dave Grenz I remember Mary as the mother of many children and wondered how she took care of such a large family but she did and she did it well. She also cared for her spiritual life as well. A truly amazing wife, mother and spiritual sister Linda Grenz
