“ *I am going to miss "Chona" so much. She was there my whole life, from my christening and being my god mother, to school events, graduations, she was always there. I will miss her smile and laugh and her genuwine personality. She was one of the best women i knew and looked up to. I will miss her terriably but I know now that she is no longer in any pain. She is with my Tio Julian, my grandparents and my Uncle. I know one day I will see her again- and until that day comes I know that my parents and i have another angel in the sky looking down on us. I love you Chona.*

“ Mary was apart of the family. Her and my grandmother Julie Jimenez were best friends. Not only that but i called her abuela too. I know just like my self, my whole family is going to miss her very much so. My love goes out to her family, and my own, as this is such a heart breaking incident. We love and miss you Mary. God Bless.

“ My heart goes out to the family. I am so sorry for your loss. I met Mary through Julie a few times and she was a very nice lady. I know she meant a lot to the Jimenez family. My heart, again, goes out to both families.
