

Mary Minch

February 1, 1975 - March 30, 2009

Mary Jean, MeJe, Minch, 34, of Wellington, passed away on Monday March 30, 2009 at Poudre Valley Hospital in Fort Collins from a ruptured brain aneurysm. She was born to Nelda and Oscar Lota in the Republic of the Philippines and was the last of twelve children. Her Aunt and Uncle, Lucrecia and Thomas Eurich, adopted Mary Jean and she came to the States in 1984 to become Joan's little sister and best friend. MeJe was a ray of sunshine to any one in her surroundings. Words cannot describe the unbelievable spirit that embodied Mary Jean which touched and left a noticeable imprint on their hearts. She would do anything for anybody and with her strong work ethic you could always count on her to get things done. Her free spirit and never-ending smile lit up the world bathing everyone in her compassionate light. She was a very loving, dedicated and devoted wife and mother. Her family was her world and her loyalty and stubbornness could not be outdone. She is survived by Husband Darian, Daughters Jovian 4 1/2, and baby Jaci, 2 weeks, her sister Joan Eurich, and Parents Tom and Lu. A visitation will be held from 1:00 until 4:00 Saturday at Goes Funeral Care followed by a celebration of MeJe's life at LaQuinta Inn next door.

“ Mary Jean joined Premier in 1999. It was a busy time for our little company, but she was never lost in the shuffle. We always knew where she was and what she was doing. She let you know if she thought things should be done differently or if there was something, she flat out did not want to do. Mary Jean spoke her mind but her tenacious loyalty and work ethic was consummate.

She married Darian and through the pregnancies and births of Jovian and Jacie we enjoyed watching their family grow, embracing them as our own at Premier. It is also a pleasure to know her wonderful sister, Joan. That we could all be so blessed with such a caring sister in our lives.

I will remember Mary Jean when I see the tulips bloom, their leaves waving strongly, as she so often did when we had instructional meetings. “I have a question!” she would say. And with this, you knew that you had better be prepared, because there was likely a challenge coming to what you had thought was a well-planned process. If there was a hole to be found in your strategy, Mary Jean would find it in an instant.

I will remember Mary Jean when I see the shining crystals on the powder white snow, glistening like her broad warming smile that narrowed her eyes and brightened the room.

Darian, there is no rhyme or reason to be found for the loss of our Mary Jean, but her spirit is evident in your girls. May that be of some comfort to you, Joan, Tom and Lu.

I know I speak for all of us at Premier when I say that we are here for you. Do not hesitate to call on us for anything.

We love you.

“*Mary Jean was an amazing wife, mother and friend. She loved her family more than anything in the world. Although she was taken much too soon, she touched more hearts than most have in double the time. Her humor, addicting laugh and stubborn ways will be remembered forever. Jovian, and I'm sure Jaci as well, carries many of her mommies traits and will show us that Mary Jean lives on through her precious girls! Thank you for bringing your wonderful family into my families life and being such a wonderful friend. I will miss you forever and will do my best to show your girls what an amazing woman you were...*
