“ I'm gonna miss you Matt. You were always a good friend.

*I remember playing poker with you at the bar when some white dude started talking down to the only black guy at the table. If memory serves me right, you were the first one to tell him he needs to shut up. Then everybody else at the table agreed and the black guy (Oliver) took it from there and the white dude left after the next hand. You always stood for what was right.*

*I also remember driving by a car that was on fire in somebody's driveway and you jumping out of the car and running inside the house to make sure everyone was out just in case it spread. Not a big deal for you. A true hero.*

*Bowling was always ten times more fun when you were there!*

*I'm gonna smoke one and drink one for you dogg.*

*R.I.P. Matt. See you when I get there*
