“ A thousand times we needed you.
A thousand times we cried.
If love alone could have saved you,
you never would have died.
A heart of gold stopped beating.
Two twinkling eyes closed to rest.
God broke our hearts to prove he only took the best.
Never a day goes by that you're not in our hearts and souls.

You will truly be missed.

“ I was so sorry to hear about Matt's passing. I worked with Matt at Woodward in the same Turbo-machinery team. Matt was always a great team member to work with. I had a great time with Matt at the annual ski trips as well. This is a great personal and professional loss for myself as well as other who knew and worked with Matt.

Our prayers and thoughts are with your family during this difficult time.

“ *Dear Judy, Colton, and Cassidy,*
Words can't express the sadness I felt upon learning this devastating news. I remember fondly a gathering of Olander families at your home -- you and Matt so generously welcomed us and created a celebratory mood. At one point, Matt calmly took care of the uninvited snake that crashed the party. This photo of Matt captures his friendly and kind spirit. Please know your Olander family holds you all in our hearts. So glad you have family nearby to provide comfort.

With love,

“ *Matt's sudden death is nothing short of a tragedy. Brenda and I were shocked and saddened by this news. We think the world of Colton, Cassidy, and Judy, and our heart hurts thinking about the pain they are going through. Such a wonderful family speaks volumes about the character of Matt.*

We met Matt through our sons' friendship with Colton. Matt's infectious smile, wry sense of humor, and obvious love for his family will be missed. The Thompson family sends its deepest condolences. - Greg, Brenda, Reyna, Benjamin & Wesley

“ *Judy, Cassidy, and Colton.
My heart aches with you all during this untimely accident that occurred. I know how much he loved you all. I smile at some of the wonderful memories. After a long bike ride with the girls came back to your house and he was such the great host making us bloody Mary's like I've never had since. I will always remember him when I drink one. Cheers Matt!*

“ *There are many memories of working with Matt, one that I really enjoyed was he annual Woodward ski trip. He was amazing at finding the right place to stay, cooked the best bbq, skis the shortest day so he can get us a table with beers ready; however, the best part of the trip was just being with Matt. He was a guy that cared deeply for his family, country and friends. His passion for doing what was right and fair was a tribute to his military background that he truly cherished as a part of his life. He was a Penn State fanatic. Matt stated things plainly (not always PC), but made us all think through things. I will miss his call for lunch at 11am SHARP. We will truly miss him and his laughter. A good friend. May God watch over his family and be with him today.*

“ *Dear Matt's family,
I am Matt's co-worker. I cannot express how deeply sorry I am for your loss - our loss.*

The eternal reality of the soul's immortality:

The soul never takes birth and never dies at any time nor does it come into being again when the body is created. The soul is birthless, eternal, imperishable and timeless and is never destroyed when the body is destroyed.

I have always been inspired by his cheerful presence and ever helpful nature. I will miss him.
