Taken too soon, but never without courage

With heavy hearts and deep gratitude, we invite you to join us in celebrating the life of Megan Peterson — a radiant soul who was taken far too soon yet never lost the courage to truly live.

Megan's laughter was a gift she gave freely, even on the hardest days. Her humor had a way of lighting up rooms and lifting spirits, and her kindness was unwavering — extended to friends, family, and everyone she met, regardless of how she was feeling. She taught us that life doesn't wait for perfect circumstances, and that joy can be an act of bravery.

Megan faced life's challenges with grace and grit, never allowing hardship to dim her light. Though her time with us was brief, Megan filled it with warmth, wit, and a generosity of spirit that will echo in the lives she touched. Her legacy is not just in the memories we hold, but in the way she made us feel — seen, loved, and always ready to smile.

Please join us in honoring Megan, sharing stories, laughter, and love as we remember the beautiful impact she made in all our lives. A Celebration of Life will be held November 9, 2025 at 10:00AM at Windsong Estate Event Center. Food and drinks will be provided.

We will have a microphone and speakers set up during the celebration. If you have a Megan story/memory, share it!

Megan loved comfy pajamas. So, feel free to wear your favorite PJs, otherwise, the celebration dress code is casual.
